Call to
YONE &
M's Side

I hope you enjoyed the Yone and Nene's
Miwaku no Ringo side story.
This is the first time I've made an extra
like this, so I enjoyed drawing it quite a bit.

With this, Miwaku no Ringo is all finished.
Thank you so much for reading it.

It's done running in magazines, but there
are plans to release both a collected
volume and a drama CD in the future.

I'll try my hardest to make them cute, so
please, pick them up as well!
